

a guide to the use of CCDC 18-2001

Canadian Construction Documents Committee

The Canadian Construction Documents Committee is a joint committee composed of public and private owners and representatives appointed by:

The Association of Consulting Engineers of Canada
The Canadian Construction Association
Construction Specifications Canada
The Royal Architectural Institute of Canada

Committee policy and procedures are directed and approved by the constituent organizations.

This document has been endorsed by each of the above organizations.

Enquiries should be directed to:

The Secretary
Canadian Construction Documents Committee
