

CCDC Master Specification for Division 00: Procurement and Contracting Requirements

**CCDC Division 00 Master Specification
for Division 00: Procurement and
Contracting Requirements
provides standard text that
reflects the recommended
procurement and contracting best
practices in CCDC 23 – A Guide
to Calling Bids and Awarding
Construction Contracts.**

CCDC's volunteer experts are driven to improve the Canadian construction industry for everyone involved. Our document development process represents all parties involved in the project to ensure risk is allocated fairly, full consensus is reached, and real trust is built. This simplifies bidding and contracting.

CCDC Division 00 provides a series of editable procurement and contracting templates.

Spec notes are provided to explain the intended use of each section, assist the editing process, and indicate when coordination is required. Microsoft Word format is available to provide maximum editing flexibility.

CCDC Division 00 is organized according to Master Format section numbers and names:
