The Canadian Construction Documents Committee (CCDC) is a national joint committee responsible for the development, production and review of standard Canadian construction contracts, forms and guides. Formed in 1974 the CCDC is made up of volunteer representatives from:

Public Sector Owners

Private Sector Owners

Canadian Bar Association (Ex-Officio)

*The Association of Canadian Engineering Companies

*The Canadian Construction Association

*Construction Specifications Canada

*The Royal Architectural Institute of Canada

*Committee policy and procedures are directed and approved by the four constituent national organizations.

Comments and inquiries should be directed to:

The Secretary

Canadian Construction Documents Committee

CCDC guides are products of a consensus-building process aimed at balancing the interests of all parties on the construction project. They reflect recommended industry practices. Readers are cautioned that CCDC guides do not deal with any specific fact situation or circumstance. CCDC guides do not constitute legal or other professional advice. The CCDC and its constituent member organizations do not accept any responsibility or liability for loss or damage which may be suffered as a result of the use and interpretation of these guides.
